

SITE UPDATE | August 2026

We are delighted to bring you the latest update from the Bugler team as we work with Kingston Council to create high-quality, affordable and sustainable homes for local residents. Since our last newsletter, construction has continued to progress well throughout July, with the dry weather helping us maintain momentum across the site.

Block A is nearing the installation of its second floor, marking a significant milestone in the programme. The bungalows are progressing well, with roof construction and brickwork gables now taking shape. At Block B, the first floor has been installed and work is progressing strongly on the brickwork superstructure up to second-floor level.

Overlooking Block A First Floor Superstructures

Overlooking Block B First Floor Superstructures

LOOKING AHEAD

Over the next period, works at Block A will focus on progressing the superstructure to third-floor level following the installation of the second-floor slab (upper-level floor), marking another key milestone in the programme.

The bungalows will continue to progress, with roof construction remaining a key area of focus. At Block B, works will concentrate on completing the first-floor superstructure.

Newsletter Update

Please note that we are posting our updated newsletters on both our communal noticeboards located around site and to online, this can be accessed by scanning the adjacent QR code, or by following the link [Acre Road, Kingston upon Thames | Bugler Developments](#) which will take you to the project page on our website, where you will find project particulars and past copies of all newsletters and communications issued.

ABOUT BUGLER DEVELOPMENTS

Bugler Developments has been building high quality homes since 1982. We are a family-owned, award-winning contractor, working on behalf of local authorities and housing associations across London and the Southeast of England.

With our understanding and wealth of experience, we offer an integrated approach to the delivery of residential and mixed-use developments.

Giving back is also a key facet of what we do, and through the Bugler Foundation we have supported many worthwhile causes - from mental health to grassroots sport and local initiatives.

Social Value has always been important. We recognise that there is a duty to us as housebuilders to provide a positive legacy to the communities in which we work, both while we are on the site and after, and this is something our whole team buys into.

WORKING HOURS
