RESIDENTS NEWSLETTER
Acre Road | Kingston Upon Thames

SITE UPDATE | November 2026

We are delighted to bring you the latest update from the Bugler team as we work with Kingston Council to create high-quality, affordable and sustainable homes for local residents. Since our last newsletter, good progress has continued across the development throughout October, despite the recent spell of wet weather.

Strong progress continues across the development. At Campbell House, the team is working towards completing the final structural walls to facilitate the installation of the precast roof slab. At Hartington House, the precast roof slab has now been installed, representing a key construction milestone. The bungalows are progressing well and are scheduled to begin roof tiling in the coming weeks.

Overlooking Campbell House

Students from St Luke's Primary School have produced the artwork boards on the site hoarding. "St Lukes CofE Primary School. This is our story".

LOOKING AHEAD

Over the coming weeks, key progress is expected across the development. At Campbell house, the precast roof slab will be installed, enabling the commencement of parapet wall construction. At Hartington House, following the successful installation of the precast roof slab, the focus will be on completing the parapet walls. Once the parapet works are complete, roofing installations will commence across both blocks, moving the project closer to achieving a weather-tight structure.

Newsletter Update

Please note that we are posting our updated newsletters on both our communal noticeboards located around site and online, this can be accessed by scanning the adjacent QR code, or by following the link Acre Road, Kingston upon Thames | Bugler Developments which will take you to the project page on our website, where you will find project particulars and past copies of all newsletters and communications issued. If you wish to have each newsletter emailed to you, please do let us know by emailing enquiries@bugler.co.uk.

ABOUT BUGLER DEVELOPMENTS

Bugler Developments has been building high quality homes since 1982. We are a family-owned, award-winning contractor, working on behalf of local authorities and housing associations across London and the Southeast of England.

With our understanding and wealth of experience, we offer an integrated approach to the delivery of residential and mixed-use developments.

Giving back is also a key facet of what we do, and through the Bugler Foundation we have supported many worthwhile causes - from mental health to grassroots sport and local initiatives.

Social Value has always been important. We recognise that there is a duty to us as housebuilders to provide a positive legacy to the communities in which we work, both while we are on the site and after, and this is something our whole team buys into.
