

SITE UPDATE | September 2026

We are pleased to bring you the latest update from the Bugler team as we work with Kingston Council to create high-quality, affordable and sustainable homes for local residents.

Good progress continues across the development despite recent weather challenges. In Block A, the second-floor slab has been completed, with brick and blockwork continuing to rise and key internal services, including ventilation, drainage and fire-stopping works, progressing well.

The bungalows are advancing steadily, with roof timber works and gable walls nearing completion. In Block B, preparations are now complete for the installation of the second-floor slab, marking another important milestone as the project remains on track.

LOOKING AHEAD

In Block A, the third-floor slab will be installed, marking another key construction milestone, while internal screeding and ground floor window installation continue to progress.

In Block B, the second-floor slab is scheduled for completion, allowing work to advance on the upper levels. The bungalows are also progressing well, with roof insulation works nearing completion and gable wall construction continuing.

Overall, the project remains on track and progressing as planned.

Newsletter Update

Please note that we are posting our updated newsletters on both our communal noticeboards located around site and online, this can be accessed by scanning the adjacent QR code, or by following the link [Acre Road, Kingston upon Thames | Bugler Developments](#) which will take you to the project page on our website, where you will find project particulars and past copies of all newsletters and communications issued.

ABOUT BUGLER DEVELOPMENTS

Bugler Developments has been building high quality homes since 1982. We are a family-owned, award-winning contractor, working on behalf of local authorities and housing associations across London and the Southeast of England.

With our understanding and wealth of experience, we offer an integrated approach to the delivery of residential and mixed-use developments.

Giving back is also a key facet of what we do, and through the Bugler Foundation we have supported many worthwhile causes - from mental health to grassroots sport and local initiatives.

Social Value has always been important. We recognise that there is a duty to us as housebuilders to provide a positive legacy to the communities in which we work, both while we are on the site and after, and this is something our whole team buys into.
