### Robinhood Primary School Visit

This month we welcomed 90 students from Year 3 at Robinhood Primary School onto site. The students had a fun filled day and were given the opportunity to participate in some bricklaying and watching cranes lifting.

We thoroughly enjoyed hosting the Year 3's. Thanks you to the staff at Robinhood Primary School for allowing us to show them our site!

### ABOUT BUGLER DEVELOPMENTS

Bugler Developments has been building high quality homes since 1982. We are a family-owned, award winning contractor, working on behalf of local authorities and housing associations across London and the South East of England.

With our understanding and wealth of experience, we offer an integrated approach to the delivery of residential and mixed-use developments.

Giving back is also a key facet of what we do, and through the Bugler Foundation we have supported many worthwhile causes - from mental health to grassroots sport and local initiatives.

Social Value has always been important. We recognise that there is a duty to us as housebuilders to provide a positive legacy to the communities in which we work, both while we are on the site and after, and this is something our whole team buys into.
