

Indicative CGI of Haydon Drive Project

SITE UPDATE | August 2026

We are pleased to share an update, on the progress of site to provide 21 affordable family size houses, with associated facilities, on behalf of Hillingdon Council. This project is scheduled to complete by Spring 2027.

We have now completed the installation of the site hoarding. (Please see image below) This work was temporarily paused to ensure compliance with the requirements of Natural England and the provisions of the Protection of Badgers Act 1992.

We have also made excellent progress with the demolition of the existing bungalows, which has now been completed. (Please see adjacent image)

LOOKING AHEAD

Our permanent site offices and welfare units are scheduled to arrive on site by mid-September. From this period, pedestrian access will be maintained via the public footpath. We will also install lighting to the site hoarding once UK Power Networks (UKPN) has completed the main electrical connection, which we anticipate will be in early to mid-September.

We have instructed all site operatives and visitors not to park within the Haydon Drive Estate to help ensure that parking spaces remain available for residents.

ABOUT BUGLER DEVELOPMENTS

Bugler Developments has been building high quality homes since 1982. We are a family-owned, award-winning contractor, working on behalf of local authorities and housing associations across London and the Southeast of England.

With our understanding and wealth of experience, we offer an integrated approach to the delivery of residential and mixed-use developments.

Giving back is also a key facet of what we do, and through the Bugler Foundation we have supported many worthwhile causes - from mental health to grassroots sport and local initiatives.

Social Value has always been important. We recognise that there is a duty to us as housebuilders to provide a positive legacy to the communities in which we work, both while we are on the site and after, and this is something our whole team buys into.
