

Indicative CGI of Haydon Drive Project

SITE UPDATE | October 2026

We are pleased to share an update, on the progress of site to provide 21 affordable family size houses, with associated facilities, on behalf of Hillingdon Council.

We have now successfully completed the demolition phase of the project, and groundworks have commenced. The first stage of these works involves the construction of the new access road through the site, (please see adjacent image) including the installation of the new foul and surface water drainage systems.

As this element of the programme progresses, we will also begin construction of the piling rig platform in preparation for the next phase of development, which is due to commence shortly.

A piling platform is a specially engineered working surface designed to safely support the weight of the piling rig and associated construction equipment. This provides a stable and secure working area, ensuring that the machinery can operate safely and efficiently during the foundation installation process.

We will continue to keep residents informed as works progress and would like to thank you for your ongoing patience and support.

New Access Road

Newsletter Update

Just a reminder that we are posting our updated newsletters online, this can be accessed by scanning the QR code, which will take you to the project page on our website, where you will find project particulars and past copies of all newsletters and communications issued.

Resident's Coffee Morning

Please note that we will be holding a drop-in Residents' Coffee morning on site, for any resident who would like to call in to discuss any concerns or queries relating to the project. This will be held in our site office.

To register your attendance:

Please scan the QR code and kindly complete the online form.

Date: Friday 9th October 2026

Time: 10:00am – 12 noon

ABOUT BUGLER DEVELOPMENTS

Bugler Developments has been building high quality homes since 1982. We are a family-owned, award-winning contractor, working on behalf of local authorities and housing associations across London and the Southeast of England.

With our understanding and wealth of experience, we offer an integrated approach to the delivery of residential and mixed-use developments.

Giving back is also a key facet of what we do, and through the Bugler Foundation we have supported many worthwhile causes - from mental health to grassroots sport and local initiatives.

Social Value has always been important. We recognise that there is a duty to us as housebuilders to provide a positive legacy to the communities in which we work, both while we are on the site and after, and this is something our whole team buys into.

WORKING HOURS

Our working hours are:
Monday to Friday – 8:00am to 6:00pm
