

Indicative CGI of Mereway Road Project

SITE UPDATE | May 2026

We are pleased to share with you our May newsletter for Mereway Road, where we are delivering seven new homes for social rent on behalf of RHP (Richmond Housing Partnership).

Over the past weeks we have been continuing with the installation of incoming water and electrical services. We are hoping to have these works completed within the next two weeks. We understand these works have caused interferences and restricted access throughout the duration of these works and would like to thank the residents who have been directly affected by this for their continued patience and co-operation throughout.

On site we have commenced with the superstructure of the build and have begun scaffolding to assist with this.

Paving to the patio areas.

Scaffolding to assist the Superstructure

LOOKING AHEAD

Over the coming weeks, we will continue with the superstructures, brick and blockwork.

Alongside this, there will also be continuation of the paving to the patio areas (Riverside).

ABOUT BUGLER DEVELOPMENTS

Bugler Developments has been building high quality homes since 1982. We are a family-owned, award-winning contractor, working on behalf of local authorities and housing associations across London and the South East of England.

With our understanding and wealth of experience, we offer an integrated approach to the delivery of residential and mixed-use developments.

Giving back is also a key facet of what we do, and through the Bugler Foundation we have supported many worthwhile causes - from mental health to grassroots sport and local initiatives.

Social Value has always been important. We recognise that there is a duty to us as housebuilders to provide a positive legacy to the communities in which we work, both while we are on the site and after, and this is something our whole team buys into.
