Indicative CGI of Mereway Road Project

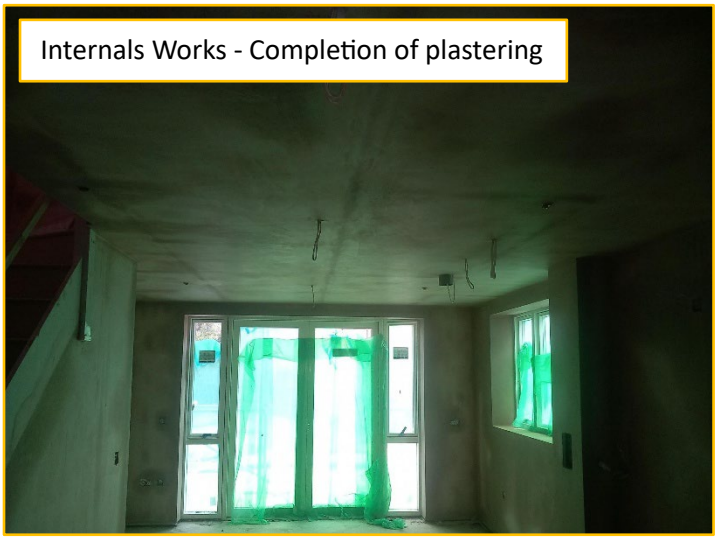

SITE UPDATE | October 2026

We are excited to share with you our most recent newsletter for Mereway Road, where we are delivering seven new homes for social rent on behalf of RHP (Richmond Housing Partnership)

Drylining and plastering works have now been completed, alongside the completion of first fix M&E installations. Window installation works have also finished, marking another key milestone and allowing the project to progress into the next phase of internal fit-out and finishing works

Roof Works – Installation of PV panels

Internals Works - Completion of plastering

LOOKING AHEAD

Over the next reporting period, internal fit-out works will continue across the development, including kitchen installations and second-fix carpentry works such as the fitting of internal doors and skirting boards. Second-fix M&E works will also progress, with the installation of sanitary ware, lighting, power outlets, and other fixtures.

Externally, the remaining scaffolding will be removed, further revealing the completed façade, while footpath and paving works will continue to enhance the surrounding public realm and access routes.

ABOUT BUGLER DEVELOPMENTS

Bugler Developments has been building high quality homes since 1982. We are a family-owned, award-winning contractor, working on behalf of local authorities and housing associations across London and the South East of England.

With our understanding and wealth of experience, we offer an integrated approach to the delivery of residential and mixed-use developments.

Giving back is also a key facet of what we do, and through the Bugler Foundation we have supported many worthwhile causes - from mental health to grassroots sport and local initiatives.

Social Value has always been important. We recognise that there is a duty to us as housebuilders to provide a positive legacy to the communities in which we work, both while we are on the site and after, and this is something our whole team buys into.
