

Indicative CGI of Mereway Road Project

SITE UPDATE | September 2026

We are excited to share with you our most recent newsletter for Mereway Road, where we are delivering seven new homes for social rent on behalf of RHP (Richmond Housing Partnership)

We are pleased to confirm that the buildings superstructure is now complete, including all brick and blockwork. This marks a significant construction milestone as the main structural framework of the building is now in place, allowing progress to continue with internal works and external finishes.

LOOKING AHEAD

Over the coming weeks, the project will continue to progress with several important activities taking place across the development. Works will include the installation of the PV (photovoltaic) panels to the roof, which will support the developments sustainability and energy efficiency objectives. Externally, the scaffolding will begin to be dismantled and struck as sections of the building reach completion. These works represent an exciting step forward as the development continues to take shape.

ABOUT BUGLER DEVELOPMENTS

Bugler Developments has been building high quality homes since 1982. We are a family-owned, award-winning contractor, working on behalf of local authorities and housing associations across London and the South East of England.

With our understanding and wealth of experience, we offer an integrated approach to the delivery of residential and mixed-use developments.

Giving back is also a key facet of what we do, and through the Bugler Foundation we have supported many worthwhile causes - from mental health to grassroots sport and local initiatives.

Social Value has always been important. We recognise that there is a duty to us as housebuilders to provide a positive legacy to the communities in which we work, both while we are on the site and after, and this is something our whole team buys into.
