

Indicative CGI of Moxon Street Project

SITE UPDATE | September 2026

We are pleased to share our newsletter, providing an update on Moxon Street to provide 21 new residential units alongside commercial floorspace.

We are continuing to make good progress on site. Work is currently underway to install the block and beam floors to Plots 2 to 5 (see adjacent image).

Alongside this, refurbishment works to the existing building are progressing well. This includes repairs to the brickwork, with some sections being carefully removed and rebuilt where required. The existing roof has now been removed, and a new roof will be installed over the coming weeks.

Block and Beam floors

Looking Ahead - Tower Crane Installation

To support the ongoing construction works, the crane base is currently being installed on site. The tower crane is scheduled to be erected on Tuesday 13th October and Wednesday 14th October 2026.

Throughout these works, our site Traffic Marshal will be in place to manage site traffic and ensure the safe access and egress of all delivery vehicles associated with the crane installation. We will work to minimise any disruption and thank residents for their patience and understanding during this period.

ABOUT BUGLER DEVELOPMENTS

Bugler Developments has been building high quality homes since 1982. We are a family-owned, award-winning contractor, working on behalf of local authorities and housing associations across London and the Southeast of England.

With our understanding and wealth of experience, we offer an integrated approach to the delivery of residential and mixed-use developments.

Giving back is also a key facet of what we do, and through the Bugler Foundation we have supported many worthwhile causes - from mental health to grassroots sport and local initiatives.

Social Value has always been important. We recognise that there is a duty to us as housebuilders to provide a positive legacy to the communities in which we work, both while we are on the site and after, and this is something our whole team buys into.
