

SITE UPDATE | NOVEMBER 2024

We wish to introduce ourselves, Bugler Developments Limited, as the building contractor appointed on behalf of London Borough of Hillingdon to carry out the construction of the 45 new dwellings including communal spaces.

Construction of the new development has been planned to commence in February 2024 until October 2026. We will be carrying out some essential works from commencing 18th November 2024, which involves clearing the site and investigating the subsoil conditions.

We shall also be carrying out initial housekeeping works, including general hoarding repair and re-painting works, installation of statutory construction signage and clearance of weeds and vegetation around the site boundary.

MEET THE BUILDER

In conjunction with London Borough of Hillingdon, we will be holding a "Meet the Builder Event". The purpose of this meeting is to introduce ourselves, talk through the building works and discuss any concerns or queries you may have in relation to the project. I will write to you again nearer the time once a date and location has been confirmed.

ABOUT BUGLER DEVELOPMENTS

Bugler Developments has been building high quality homes since 1982. We are a family-owned, award winning contractor, working on behalf of local authorities and housing associations across London and the South East of England.

With our understanding and wealth of experience, we offer an integrated approach to the delivery of residential and mixed-use developments.

Giving back is also a key facet of what we do, and through the Bugler Foundation we have supported many worthwhile causes - from mental health to grassroots sport and local initiatives.

Social Value has always been important. We recognise that there is a duty to us as housebuilders to provide a positive legacy to the communities in which we work, both while we are on the site and after, and this is something our whole team buys into.
