RESIDENTS NEWSLETTER
Otterfield Road | West Drayton

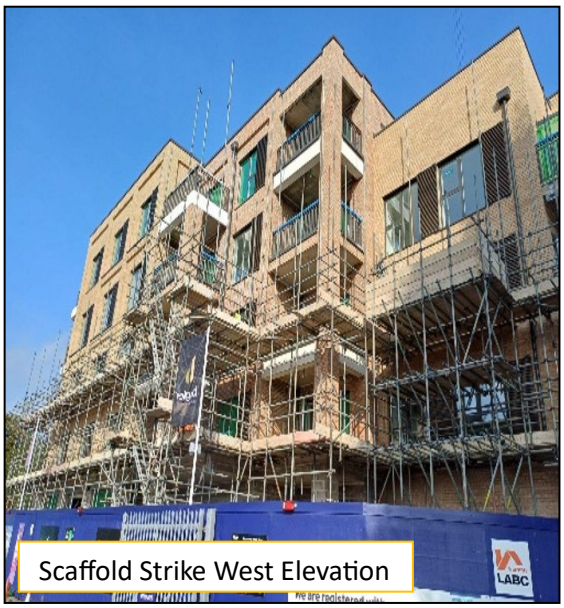

Indicative CGI of Otterfield Road project

SITE UPDATE | October 2026

We are pleased to share the October newsletter for the Otterfield Road Development Project. This newsletter will keep you updated on the progress of the site as we work towards delivering 45 new dwellings and communal spaces.

Good progress continues to be made across the development, with several key activities completed and ongoing. Utility meter installations for both electricity and water are progressing, helping to prepare homes for occupation. External door installations are also underway, enhancing the security and weatherproofing of completed plots.

Window installation works have continued within the Core 2 Level 4 apartments and the library building, bringing these areas closer to completion. In addition, scaffolding has been removed from both the car park and park-facing elevations, providing a clearer view of the finished external façades and marking another significant milestone in the construction programme.

Scaffold Strike West Elevation

Newsletter Update

Please note that we are posting our updated newsletters on our communal noticeboards located around site and online. You can read all the project updates sent so far by scanning the QR code, or by visiting www.buglerdevelopments.co.uk/project/otterfield-road-yiewsley/ If you wish to have each newsletter emailed to you, please do let us know by emailing enquiries@bugler.co.uk

LOOKING AHEAD

Over the next reporting period, electrical meter installations and main roof works within the Core 2 plant room will continue. Scaffolding will also be removed from the park and car park elevations of Core 1, along with the courtyard areas.

Groundworks and external finishing works are due to commence, further progressing the development towards completion. Within the Library, first-fix works, ductwork installation, sprinkler installation, insulation works to soffits, and M&E plant works to the main roof are also scheduled to progress.

Internal works

ABOUT BUGLER DEVELOPMENTS

Bugler Developments has been building high quality homes since 1982. We are a family-owned, award-winning contractor, working on behalf of local authorities and housing associations across London and the Southeast of England.

With our understanding and wealth of experience, we offer an integrated approach to the delivery of residential and mixed-use developments.

Giving back is also a key facet of what we do, and through the Bugler Foundation we have supported many worthwhile causes - from mental health to grassroots sport and local initiatives.

Social Value has always been important. We recognise that there is a duty to us as housebuilders to provide a positive legacy to the communities in which we work, both while we are on the site and after, and this is something our whole team buys into.
