

### SITE UPDATE | April 2026

We are delighted to update you with the progress that has happened at Roselands within the last several weeks.

Our site welfare cabins have been delivered and are now fully operational, providing our team with the space required to manage the project as the workload increases.

Scaffolding is currently being erected and has been erected up to the fifth floor of the building. This will continue over the coming weeks.

Window reveals removed

In addition to this, the plasterboard within the window reveal removal is now in progress. This is in preparation for the existing window removal before the building is then deconstructed.

Groundwork enabling works are now complete to allow for the main construction works to begin.

### LOOKING AHEAD

Over the coming weeks, we will be deconstructing the building ready for the build to commence.

### ABOUT BUGLER DEVELOPMENTS

Bugler Developments has been building high quality homes since 1982. We are a family-owned, award-winning contractor, working on behalf of local authorities and housing associations across London and the South East of England.

With our understanding and wealth of experience, we offer an integrated approach to the delivery of residential and mixed-use developments.

Giving back is also a key facet of what we do, and through the Bugler Foundation we have supported many worthwhile causes - from mental health to grassroots sport and local initiatives.

Social Value has always been important for us as a company we recognise that there is a duty to us as housebuilders to provide a positive legacy to the communities in which we work, both while we are on the site and after, and this is something our whole team contributes to.
