

SITE UPDATE | June 2026

We are excited to share with you the progress that has happened over the last few weeks here at Roselands.

The scaffolding and access staircases have now been completed, providing operatives with safe access to the building. This has also allowed demolition works to continue progressing as planned.

Aside from this, this month's works is primarily focused on internal strip-out activities, along with the removal of façade brickwork up to the third floor.

LOOKING AHEAD

Over the coming weeks we will continue with the demolition and strip-out of the existing building.

These works will include the progressive removal of internal materials and structural elements in a carefully planned sequence, ensuring that all works are carried out safely and efficiently.

Our team will continue to monitor the site closely and implement measures to minimise disruption to neighbouring residents wherever possible.

ABOUT BUGLER DEVELOPMENTS

Bugler Developments has been building high quality homes since 1982. We are a family-owned, award-winning contractor, working on behalf of local authorities and housing associations across London and the South East of England.

With our understanding and wealth of experience, we offer an integrated approach to the delivery of residential and mixed-use developments.

Giving back is also a key facet of what we do, and through the Bugler Foundation we have supported many worthwhile causes - from mental health to grassroots sport and local initiatives.

Social Value has always been important for us as a company we recognise that there is a duty to us as housebuilders to provide a positive legacy to the communities in which we work, both while we are on the site and after, and this is something our whole team contributes to.
