

## SITE UPDATE | May 2026

We are pleased to update you with the progress that has happened over the last few weeks here at Roselands.

The scaffolding is now complete with only the access stairs soon to be completed.

All ground works are concluded and existing windows have been removed. This will allow for the next phase of the project to commence which will be to deconstruct the existing building.

## LOOKING AHEAD

Over the next 10-12 weeks the deconstruction of the building will take place. This marks an exciting stage of the project as it will be followed by the start of the build phase. We appreciate that these works may at times be noisy, disruptive or dusty and we will do everything possible to keep any inconvenience to a minimum. Thank you for your continued patience and understanding.

### ABOUT BUGLER DEVELOPMENTS

Bugler Developments has been building high quality homes since 1982. We are a family-owned, award-winning contractor, working on behalf of local authorities and housing associations across London and the South East of England.

With our understanding and wealth of experience, we offer an integrated approach to the delivery of residential and mixed-use developments.

Giving back is also a key facet of what we do, and through the Bugler Foundation we have supported many worthwhile causes - from mental health to grassroots sport and local initiatives.

Social Value has always been important for us as a company we recognise that there is a duty to us as housebuilders to provide a positive legacy to the communities in which we work, both while we are on the site and after, and this is something our whole team contributes to.
