

Indicative CGI of The Alders Project

### SITE UPDATE | January 2026

We are pleased to share our newsletter, providing an update on the progress of the 34 new residential units for social housing on behalf of Wandsworth Council on The Alders Estate, Aldrington Road SW16.

Firstly, we hope you had a lovely Christmas and would like to take this opportunity to wish you a Happy New Year.

Works have been continuing to progress with early enabling works forming the retaining wall along the boundary fence line along with constructing the new footpath between the communal garden.

Looking ahead, we plan on opening up the newly built car park (green highlighted area in image) for your use in the coming weeks. This will however mean that we must close the rear of the estate (red highlighted area in image) to enable us to start our construction works. We kindly ask that you relocate your vehicles by **Friday 23<sup>rd</sup> January 2026** to the newly opened parking area.

Lastly, to remind you, the next scheduled date for our trackside out of hours works is **Sunday 15<sup>th</sup> February 2026 between 08:00 and 18:00 hrs.**

Once again, we thank you for your understanding and patience whilst we carry out these works.
