

### SITE UPDATE | March 2026

We are pleased to provide an update on the progress of the Oval Project on behalf of Stevenage Borough Council.

The development comprises of 91 independent living apartments across two blocks, known as E1 and E2, located on Parcel E. On Parcel F, works include the construction of a new church and community centre, along with associated communal areas and landscaped gardens.

Good progress has been made on site throughout March as enabling and preparation works continued across Parcels E and F. At Parcel E, activities have focused on preparing the site for the upcoming piling operations, including the ongoing installation of the piling mat, drainage works and the formation of the car park to improve access and site logistics. These works build on the welfare facilities installed in February.

At Parcel F, site preparation has also progressed well, with the stripping of soft landscaping. Demolition of the existing building has continued from February into March, helping to clear the area for the next phase of construction. Earlier works in February also included the installation of welfare facilities and the erection of site hoarding to secure the site.

During the period Bugler Developments and Stevenage Borough Council held an event at the Oval Community centre in aid of International Women's Day. This year's theme was 'Give to Gain' the event included pamper items to take away, refreshments and children's activities.

### LOOKING AHEAD

In the coming weeks, preparation works will continue across the site as the project progresses into the next phase of construction. Our piling rig is scheduled to arrive in April at Parcel E, where foundation works will commence as part of the next stage of development.

We are also pleased to offer work experience opportunities on site. If this is something that may be of interest, please contact our Resident Liaison Officer (RLO) using the details provided below for further information.

The Bugler team is always available should you have any questions or queries. Please feel free to contact us using the details provided below.

Should you have any queries or concerns please contact us on the phone number provided below or [enquiries@bugler.co.uk](mailto:enquiries@bugler.co.uk).

### ABOUT BUGLER DEVELOPMENTS

Bugler Developments has been building high quality homes since 1982. We are a family-owned, award-winning contractor, working on behalf of local authorities and housing associations across London and the South East of England.

With our understanding and wealth of experience, we offer an integrated approach to the delivery of residential and mixed-use developments.

Giving back is also a key facet of what we do, and through the Bugler Foundation we have supported many worthwhile causes - from mental health to grassroots sport and local initiatives.

Social Value has always been important. We recognise that there is a duty to us as housebuilders to provide a positive legacy to the communities in which we work, both while we are on the site and after, and this is something our whole team buys into.
